## SUB CLUB UPDATES

Report from Peter Thiel  
2007 Maui Ocean Swim  
Tattersalls Swimming

2007 marked an amazing year for Tattersalls in Maui, with a huge contingent of over 60 swimmers and supporters travelling to Hawaii for the Maui Channel Swim held in September. The Maui Swim is a 14.8km, 6 team relay race which our Members won in 2005. Tatts entered an Open team consisting of the 2005 winning team Members - Chris Fydler, Peter Thiel, Josh Santacaterina, Brendan Capell, Andrew Beato and David Browne, an over 40's team with John de Mestre, Mick Gillis, Simon Storry, Simon Skillicorn, Sigi Hill and Grant Peters, a women's team with Rose Fydler, Amanda Gillis, Millie Joseph, Karen Stott, Charm Friend and Mary Blake, and finally the Sociales team of Cesar Puertolas, Peter Joseph, Andrew Davis, Luke Morgan, Simon Morgan, Daniel Beltrami, and Brendan Maher. Scott Heathwood ended up being picked up by a team from San Francisco.

Congratulations to the Tatts Open team who came in second with their 2005 record still holding. The wealth of experience in the Tatts over 40's team paid off with third overall finish, and first in over 40's category, the first time a non US team has won this category.

The Tatts women's team (a first for Tattersalls) had a great swim,

2007 Tattersalls Maui Team including all participants and supporters.

and despite challenges with their boat (leaving them unaccompanied and without direction for over half an hour) the team finished in the top half of the field.

In addition to the Maui relay, a number of swimmers went in the Waikiki Roughwater swim, a 3.8km individual swim off Waikiki Beach. Excellent results were obtained with Brendan Capell finishing second overall, John de Mestre winning his age group and Peter Thiel finishing second in his age group.

All in all, the 2007 Hawaii trip proved to be a great trip with everyone enjoying the experience, and taking the time to have a fun

and relaxing holiday. Many commented on how close the Aussie team from Tatts was and it was great to have the likes of Bob Hudson, John McCosker and Tom Nolan and their wives on the tour, providing tremendous support for the team. Plans are already under-way for a return in 2008!

Report from Ken Glover  
Tattersalls Boardriders

The Boardriders club held its 4th annual weekend at North Bendalong in March, then in July ventured to Stanwell Park where the howling Southerly made for tough conditions. Later in July, we surfed Bondi, which was followed

2007 Tattersalls Over 40s Maui Team, L to R: Grant Peters, Mick Gillis, Simon Skillicorn, Simon Storry, Sigi Hill with little bub Molly and John de Mestre

by an enjoyable brunch cooked by "Hollywood" Clyne and his wife Kelly.

Next on the agenda is the 4th Annual trip to Gerringong, now set for 16-18 November. This is always a great family weekend away, with plenty of surfing at 7 Mile beach, golf and BBQs. For all details please contact the Kahuna (Ken Glover) on [kiri@tpgi.com.au](mailto:kiri@tpgi.com.au)

Report from Alex Pope  
Telo Island, Northern Sumatra  
**Tattersalls Boardriders**

Eight Tattersalls Members have just returned from 10 days surfing in the Telo Island Lodge located on remote Sibranun Island in the Telo group in Northern Sumatra, Indonesia. The island is a truly beautiful home to only 200 odd villagers and only 45 minutes to walk around the island.

The host was Dave, our surf guide from Queensland's Sunshine Coast and a professional long boarder. His Indonesian helpers kept us organised and well fed with fresh local fish, sashimi, salt and pepper squid and a mix of Indonesian specialties, all washed down by many a Bintang.

Among the highlights was the camaraderie, the fiercely contested ping pong battles, and the surfing of isolated and beautiful reef and point breaks, framed by lush jungles, missionary churches and tiny villages. Each day began with 7am breakfast before heading out on the boat for the morning surf. Then returning for siesta and relaxation. More surfing in the afternoon with the reward a bintang on the boat as we headed home for dinner.

Those who attended the tour included John Tierney (see John in action in accompanied picture),

Members from the Tattersalls Team Golf Challenge L to R Ken Glover, Tony Anderson, Shaun Clyne, Alex Thorpe, Alan Brown, John Tierney, David Grossberg, Luke Morgan.

Report from Ken Glover and Alan Brown  
**Tattersalls Team Golf Challenge**

The Tattersalls Golf Sub Club recently developed a new challenge between those who are members of The Lakes Golf Club or The Australian Golf Club. This challenge has now evolved into the Tatts Team Golf Challenge with the format being an Irish 4 Ball competition and a 4 match play competition. All scores are added to determine the winning team.

The inaugural Tatts Team Golf Challenge took place on a perfect spring day late in August at The Lakes Golf Club. Team captains, Alan Brown from The Australian and Ken Glover from The Lakes nominated their opposing players with The Australian team comprising of Alan Brown, Alex Thorpe, Shaun Clyne and John Tierney and The Lakes team were Ken Glover, David Grossberg, Luke Morgan and Tony Anderson. The Lakes won the Irish 4 Ball, however The Australian team won the 4 match play which gave them the points to win Tatts Team Golf Challenge trophy.

This was an enjoyable, fun day with much ribbing between players. A rematch has been planned at The Australian in November with date to be confirmed. If interested in being involved please contact Ken Glover via email [kiri@tpgi.com.au](mailto:kiri@tpgi.com.au).

Tony Anderson, Glenn Atkins, Ben Dillon Luke Morgan, Shaun Clyne, Alex Pope and Justin Clyne.

The trip was enjoyed by all and we look forward to planning the next Tatts Boardriders tour, with talks of touring the PNG coast.

Report by Michael Fitzgerald  
Tattersalls Snooker

The third Thursday Snooker Challenge was held at the Club on Thursday, 20 September with a good attendance by our Snooker Members. The final match was held between two legal men, Peter Doyle and Ian Cullen. Peter Doyle was successful on the night but Ian, of course, is considering appealing, which of course he, personally, is not. Credit is due to Paddy Morgan who does a great job of organising this event although, personally, the writer would have preferred to have obtained a bye in the first round rather than the Greek answer to Eddy Charlton and Club Current Snooker Champion, Frank Galanos. Frank, like the Greeks at Marathon, won.

Anthony Cummings made a welcome reappearance, unfortunately, as a result of having a considerable amount of time on his hands owing to the equine influenza. He suggested that the enquiry into the origin of equine influenza by Justice Callinan should include the role played by the Vatican,

given its association with World Youth Day at Randwick.

The Tuesday Night Scramble is now to be rescheduled on Thursdays except for the third Thursday in every month and all Tattersalls Members are very welcome. The Interclub Team captained by Mark Twigg enjoyed some success during the year and he and the Committee wish to thank all competitors for their contribution. At the time of writing the Snooker Calcutta event had been scheduled for Thursday 18 October and we will update all Members on this event in the Club's next email newsletter.

Report by Stephen O'Halloran  
Tattersalls Food and Wine

Those Members fortunate enough to attend the last Food and Wine Club dinner will recall that this was a sensational evening enjoyed by all.

This dinner was held in June to a full house of Members and guests who indulged in beautiful wines

from the iconic Victorian Producer Best's Wines of Great Western. The patriarch of the Thompson family, the fifth generation Winemaker, Viv Thompson was present and he brought along with him some magnificent old wines along with the wines that were designated for the evening.

Viv's extraordinary generosity allowed us to enjoy a wonderfully aged but incredibly fresh 1996 Rhine Riesling followed by a 1976 Pinot Meunier. I have no doubt that we would have been the only people in Australia, if not the world on that occasion drinking a 21 year old Pinot Meunier which was still beautifully fresh and lively.

The Tattersalls Chefs produced a superb meal and Renata and the team ensured the evening was an outstanding success. Our most sincere thanks to Viv Thompson and Gerry Faramus of Angoves Wines who greatly assisted in the coordination of the event.

A further dinner is planned for Thursday 22 November and Members will be advised in the Club's weekly email.
